ARTICLE VIII
Indemnification

*Section 8.01. **Indemnification of Directors and Officers for Actions, Suits or Proceedings Other Than By or In the Right of the Corporation.*** To the full extent permitted by law, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation), by reason of the fact that he is or was or has agreed to become a Director or Officer of the Corporation or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise (including employee benefit plans) or by reason of any action alleged to have been taken or omitted in such capacity against costs, charges, expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf in connection with any threatened, pending or completed action, suit or proceeding and any appeal therefrom, if and only if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful; the termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

*Section 8.02. **Indemnification of Directors and Officers for Actions or Suits By or In the Right of the Corporation.*** To the full extent permitted by law, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was or has agreed to become a Director or Officer of the Corporation, or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise (including employee benefit plans) or by reason of any action alleged to have been taken or omitted in such capacity against costs, charges and expenses (including attorneys' fees) actually and reasonably incurred by him or on his behalf in connection with the defense or settlement of any threatened, pending or completed action or suit and any appeal there from, or the defense or settlement of any claim, issue or matter, if and only if he acted in good faith and in a manner he reasonably believed to be in or not

opposed to the best interests of the Corporation except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of such liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such costs, charges and expenses which the Court of Chancery or such other court shall deem proper.

Section 8.03. Indemnification of Others for Actions, Suits or Proceedings Other Than By or In the Right of the Corporation. To the full extent permitted by law, the Corporation, in the sole discretion of the Board of Directors of the Corporation, may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation), by reason of the fact that he is or was or has agreed to become an employee, agent or contractor of the Corporation, or is or was serving or has agreed to serve at the request of the Corporation as a director, officer, employee, agent or contractor of another corporation, partnership, joint venture, trust or other enterprise (including employee benefit plans), or by reason of any action alleged to have been taken or omitted in such capacity, against costs, charges, expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf in connection with any threatened, pending or completed action, suit or proceeding and any appeal there from, if and only if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful; the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 8.04. Indemnification of Others for Actions or Suits By or In the Right of the Corporation. To the full extent permitted by law, the Corporation, in the sole discretion of the Board of Directors of the Corporation, may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was or has agreed to become an employee, agent or contractor of the Corporation, or is or was serving or has

agreed to serve at the request of the Corporation as a director, officer, employee, agent or contractor of another corporation, partnership, joint venture, trust or other enterprise (including employee benefit plans), or by reason of any action alleged to have been taken or omitted in such capacity, against costs, charges and expenses (including attorneys' fees) actually and reasonably incurred by him or on his behalf in connection with the defense or settlement of any threatened, pending or completed action or suit and any appeal there from, or the defense or settlement of any claim, issue or matter, if and only if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of such liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such costs, charges and expenses which the Court of Chancery or such other court shall deem proper.

*Section 8.05. **Indemnification for Costs, Charges and Expenses of Successful Party.*** Notwithstanding the other provisions of these By-laws, to the extent that a Director or Officer of the Corporation or other person indemnified under *Sections 8.01 through 8.04*, herein, has been successful on the merits or otherwise, including, without limitation, the dismissal of an action without prejudice, in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, he shall be indemnified against all costs, charges and expenses (including attorneys' fees) actually and reasonably incurred by him or on his behalf in connection therewith.

*Section 8.06. **Determination of Right to Indemnification.*** Unless otherwise ordered by a court, any indemnification under *Sections 8.01 through 8.04* herein, shall be paid by the Corporation unless a determination is made (1) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, or (3) by the members, that indemnification of an individual entitled to indemnification under *Sections 8.01 through 8.04* herein, is not proper in the circumstances because he has not met the applicable standard of conduct set forth in *Sections 8.01 through 8.04* herein.

*Section 8.07. **Advance Payment of Costs, Charges and Expenses.*** To the full extent permitted by law, the Corporation shall, upon request, pay costs, charges and expenses (including attorneys' fees) incurred by a person entitled to indemnification pursuant

By-Laws of Helicopter Association International, Inc.

to *Sections 8.01* and *8.02*, herein, and, if applicable, pursuant to *Sections 8.03* and *8.04*, herein, in defending a civil or criminal action, suit or proceeding in advance of the final disposition of such action, suit or proceeding; provided, however, that the payment of such costs, charges and expenses incurred by a Director or Officer in his capacity as a Director or Officer (and not in any other capacity in which service was or is rendered by such person while a Director or Officer) in advance of the final disposition of such action, suit or proceeding shall be made only upon receipt of an undertaking by or on behalf of the Director or Officer to repay all amounts so advanced in the event that it shall ultimately be determined that such Director or Officer is not entitled to be indemnified by the Corporation as authorized in these By-laws; such costs, charges and expenses incurred by other employees, agents and contractors may be so paid upon such terms and conditions, if any, as the Board of Directors deems appropriate.

*Section 8.08. **Procedure for Indemnification.*** Any indemnification or advance of costs, charges and expenses provided for in *Sections 8.01* through *8.07*, herein, shall be made promptly, and in any event within sixty (60) days, upon the written request of the person entitled to indemnification; the right to indemnification or advances as granted by these By-laws shall be enforceable by a Director or Officer or other person indemnified hereunder in any court of competent jurisdiction. If the Corporation denies such request, in whole or in part, or if no disposition thereof is made within sixty (60) days, such person's costs, charges and expenses incurred in connection with successfully establishing his right to indemnification, in whole or in part, in any such action shall also be indemnified by the Corporation; it shall be a defense to any such action (other than an action brought to enforce a claim for the advance of costs, charges and expenses pursuant to *Section 8.07* herein, where the required undertaking, if any, has been received by the Corporation) that the claimant has not met the standard of conduct set forth in *Sections 8.01* through *8.04*, herein, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, its independent legal counsel, and its members) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in *Sections 8.01* through *8.04*, herein, nor the fact that there has been an actual determination by the Corporation (including its Board of Directors, its independent legal counsel, and its members) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

*Section 8.09. **Authorization of Corporation Officers.*** The proper officers of the Corporation are, and each of them acting without the other is, authorized to take

By-Laws of Helicopter Association International, Inc.

any action, for and in the name of the Corporation, which he deems necessary or appropriate (as conclusively presumed from the taking of such action) to carry out and effect the foregoing *Sections 8.01 through 8.08*.

*Section 8.10. **Other Rights; Continuation of Right to Indemnification.*** The indemnification and advancement of expenses provided by these By-laws shall not be deemed exclusive of any other rights to which a person seeking indemnification or advancement of expenses may be entitled under any law (present or future, common or statutory), bylaw, agreement, vote of members or disinterested Directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office or while employed by or acting as agent for the Corporation, and shall continue as to a person who has ceased to serve in the capacity making him eligible for indemnification, and shall inure to the benefit of the estate, heirs, executors and administrators of such person; all rights to indemnification under these By-laws shall be deemed to be a contract between the Corporation and each Director and Officer of the Corporation and, as applicable, any other person indemnified hereunder who serves or served in such capacity at any time while these By-laws as well as the relevant provisions of the General Corporation Law of the State of Delaware or any other applicable laws are or were in effect; any repeal or modification hereof or of such provisions of such law shall not in any way diminish any rights to indemnification of such Director or Officer or other person entitled to indemnification or the obligations of the Corporation arising hereunder.

*Section 8.11. **Savings Clause.*** If *Sections 8.01 through 8.10* of these By-laws or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each Director and Officer and may indemnify any other person entitled to indemnification, as to costs, charges and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation, to the full extent permitted by any applicable portion of these By-laws that shall not have been invalidated and to the full extent permitted by applicable law. To the full extent permitted by law, the Corporation may enter into and perform agreements with persons, including, without limitation, present and former Officers, Directors and employees of the Corporation and of companies acquired by or merged with the Corporation, obligating the Corporation, among other things, to provide indemnification and advancement of costs, charges and expenses to such persons in addition to any indemnification or advancement which may be available to such person under *Sections 8.01 through 8.10* of these By-laws.

By-Laws of Helicopter Association International, Inc.

*Section 8.12. **Insurance.*** The Board of Directors may cause the Corporation to purchase and maintain insurance on behalf of any person who is or was or has agreed to become a Director or Officer of the Corporation, or is or was serving at the request of the Corporation as a director or officer of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise (including employee benefit plans) against any liability asserted against such person and incurred in any such capacity or arising out of such status, whether or not the Corporation would have the power to indemnify such person.

*Section 8.13. **Amendment of ByLaws for Indemnification.*** The Board of Directors may from time to time adopt further By-laws with respect to indemnification and may amend these and such By-laws to provide at all times the fullest indemnification permitted by the General Corporation Law of the State of Delaware.

ARTICLE IX **Dissolution**

Upon the dissolution of the Corporation, after paying or adequately providing for the debts and obligations of the Corporation, all assets of this Corporation shall go and be distributed to an organization, association, fund or foundation organized and operated exclusively for exempt purposes and which is recognized as tax-exempt, not-for-profit corporation by the United States Internal Revenue Service. If the Corporation holds any assets in trust at the time of dissolution thereof, such assets shall be disposed of as may be ordered by a court of competent jurisdiction.
