AERIAL FIREFIGHTERS FROM AROUND THE WORLD will gather virtually Nov. 17–18, 2020, to share forecasts, tactics, and best practices with their colleagues. Participation is FREE, but registration is required.

Topics include equipment and technology updates, UAS operations, future fire-fighting requirements, modern retardants, fuel handling, restricted-category aircraft, flight-data monitoring, and more.

Share your message and connect with decision-makers in the global aerial firefighting community by becoming an HAI Aerial Firefighting Conference sponsor.
